

Carolinias/Virginias Chapter of the Society of Critical Care Medicine (CVCSCCM) Communications Committee

Mission

To provide timely communications to the Carolinas/Virginias Chapter of SCCM membership regarding all chapter activities and to foster collaboration within the membership.

Charges

1. Formal Chapter Communication
 - a. Provide updates to the membership via email and bi-monthly newsletter
2. Social Media
 - a. Maintain activity on all social media platforms (i.e., Facebook, Twitter)
 - b. Host quarterly twitter journal club
3. Education
 - a. Inform the membership of chapter educational events and incorporate professional development into bi-monthly newsletter publications

Committee Member Expectations

- Attend committee meetings held monthly to bimonthly when able (goal \geq 30%)
 - Doodle Polls utilized to schedule meetings at a time that works for most
- Creation and review of bi-monthly newsletters for publication to chapter
 - This may involve participation in development of newsletter content and design, emailing chapter members for newsletter highlights and contributions, and review and provision of feedback before publication of newsletter
- Participate in twitter journal clubs as able
 - Opportunities for hosting twitter journal club and/or providing feedback on documents submitted for review by twitter journal club host (twitter manuscript and abstract)
